Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have experienced tremendous  
improvement in my health as a  
result of using natural hormone  
therapy obtained at my specialized  
compounding pharmacy. My health  
would suffer if this service was  
limited or unavailable.  
Please do not remove my right  
to choose my form of health care!
